

Cheers to the start of your very Momental experience!

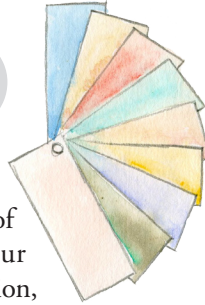

1 CREATIVE FEE - \$495

Your design experience begins. This fee secures your place in our schedule and allows our team to begin developing your custom concept.

TWO

WELCOME KIT

We will ship a collection of hand-selected items for your review to provide inspiration, which can be referenced throughout the design process.

THREE

DETAILS

Please share reference images, inspiration and preferences prior to your design meeting.

4

DESIGN MEETING

You will consult with Jillian, our Creative Director, to share your vision, inspiration and priorities for your custom project. Please allow 45 minutes, email to schedule this important meeting.

FIVE

BRIEF

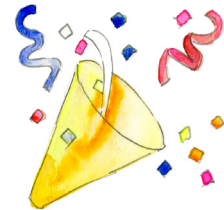

We will present a refined outline of your project, including creative direction, materials and selections for approval.

PROTOTYPE

A physical prototype is created for your review. High quality images will be emailed along with detailed information. Please anticipate a wait time for the development of your prototype.

One complimentary revision of the prototype is included. Additional prototype requests are \$100 each.

6

PROOF

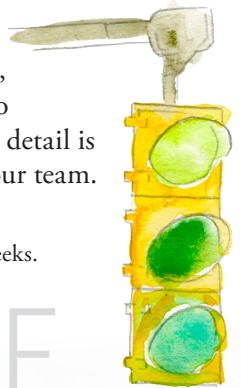

Final approval of your project is needed before production begins.

Digital proof is complimentary
Physical proof is \$150

PRODUCTION

Once approval is given, your project moves into production where each detail is carefully executed by our team.

Production times can vary, but it's best to plan for 4 weeks.

SEVEN

ENCLOSURE CARDS

Additional elements may be designed for important information, while enhancing the presentation of your suite.
